**Re: Supplement to Comments Filed in Support of Notice of Proposed  
Rule Making, Filed June 14, 2002  
Amendment of Section 73.202(b) Table of Allotments,  
FM Broadcast Station (Chillicothe, Ohio and Ashville, Ohio)  
MM Docket No. 99-322; RM-9762  
WFCB(FM), Chillicothe, OH (FIN 52042)**

Dear Ms. Dortch:

On June 14, 2002, Secret Communications II, LLC ("Secret") filed with the Commission a "Supplement to Comments Filed in Support of Notice of Proposed Rule Making" in the referenced rule making proceeding (the "Supplement"). This is to correct a technical error that has been discovered on page 4 of the legal section of the Supplement. Specifically, Secret states in the third line that it is modifying the reference coordinates for its proposal to 39° 12' 22" NL, 83° 06' 38" WL. Consistent with the Engineering Exhibit that was submitted as an attachment to the Supplement, however, the correct reference coordinates should be 39° 35' 30" NL, 83° 06' 38" WL, which are associated with the location from which WFCB(FM) is currently licensed to operate. See FCC File No. BLH-20020304AFX. Please amend the Supplement accordingly.

Ms. Marlene H. Dortch
